INFORMATION REGARDING PROXIES AND VOTING AT THE MEETING

Solicitation of Proxies

This management information circular and proxy statement (the "**Management Proxy Circular**") is furnished in connection with the solicitation of proxies by the management of Tower Resources Ltd. (the "**Corporation**") for use at the annual general meeting (the "**Meeting**") of the holders (the "**Shareholders**") of common shares ("**Common Shares**") of the Corporation to be held via teleconference, dial in number 1-833-529-0232, on Monday, November 2, 2020 at 11:00 AM (Pacific), for the purposes set forth in the notice of annual general meeting (the "**Notice**") accompanying this Management Proxy Circular. Solicitation of proxies will be primarily by mail, but may also be undertaken by way of telephone, internet, facsimile or oral communication by the directors, officers and regular employees of the Corporation, at no additional compensation. Costs associated with the solicitation of proxies will be borne by the Corporation.

Appointment of Proxyholders

Accompanying this Management Proxy Circular is an instrument of proxy for use at the Meeting. Shareholders who are unable to attend the Meeting in person and wish to be represented by proxy are required to date and sign the enclosed instrument of proxy and return it in the enclosed return envelope. **All properly executed instruments of proxy for Shareholders must be mailed so as to reach or be deposited at the offices of Computershare Investor Services (Attention: Proxy Department) at 100 University Avenue, 8th Floor, Toronto, Ontario, M5J 2Y1 not later than 48 hours (excluding Saturdays, Sundays and statutory holidays in the Province of British Columbia) prior to the time set for the Meeting or any adjournment thereof.** An instrument of proxy may also be voted using a touch tone telephone at 1-866-732-VOTE (8683). Alternatively, a registered shareholder can complete internet voting by logging on at www.investorvote.com and entering the CONTROL NUMBER located on the address box of the Shareholder's instrument of proxy.

The persons designated in the instrument of proxy are officers and directors of the Corporation. **A Shareholder has the right to appoint a person (who need not be a Shareholder) other than the persons designated in the accompanying instrument of proxy, to attend at and represent the Shareholder at the Meeting.** To exercise this right, a Shareholder should insert the name of the designated representative in the blank space provided on the instrument of proxy and strike out the names of management's nominees. Alternatively, a Shareholder may complete another appropriate instrument of proxy.

Signing of Proxy

The instrument of proxy must be signed by the Shareholder or the Shareholder's duly appointed attorney authorized in writing or, if the Shareholder is a corporation, under its corporate seal or by a duly authorized officer or attorney of the Corporation. An instrument of proxy signed by a person acting as attorney or in some other representative capacity (including a representative of a corporate Shareholder) should indicate that person's capacity (following his or her signature) and should be accompanied by the appropriate instrument evidencing qualification and authority to act (unless such instrument has previously been filed with the Corporation).

Revocability of Proxies

A Shareholder who has submitted an instrument of proxy may revoke it at any time prior to the exercise thereof. In addition to any manner permitted by law, a proxy may be revoked by instrument in writing executed by the Shareholder or by his or her duly authorized attorney or, if the Shareholder is a corporation, under its corporate seal

or executed by a duly authorized officer or attorney of the corporation and deposited either: (i) at the registered office of the Corporation at any time up to and including the last business day preceding the day of the Meeting, or any adjournments thereof, at which the instrument of proxy is to be used; or (ii) with the Chairman of the Meeting on the day of the Meeting, or any adjournment thereof. In addition, an instrument of proxy may be revoked: (i) by the Shareholder personally attending the Meeting and voting the securities represented thereby or, if the Shareholder is a corporation, by a duly authorized representative of the corporation attending at the Meeting and voting such securities; or (ii) in any other manner permitted by law.

Voting of Proxies and Exercise of Discretion by Proxyholders

All Common Shares represented at the Meeting by properly executed proxies will be voted on any ballot that may be called for and, where a choice with respect to any matter to be acted upon has been specified in the instrument of proxy, the Common Shares represented by the instrument of proxy will be voted in accordance with such instructions. The management designees named in the accompanying instrument of proxy will vote or withhold from voting the Common Shares in respect of which they are appointed in accordance with the direction of the Shareholder appointing him or her on any ballot that may be called for at the Meeting. **In the absence of such direction, such Common Shares will be voted "FOR" the proposed resolutions at the Meetings. The accompanying instrument of proxy confers discretionary authority upon the persons named therein with respect to amendments of or variations to the matters identified in the accompanying Notice and with respect to other matters that may properly be brought before the Meeting.** In the event that amendments or variations to matters identified in the Notice are properly brought before the Meeting or any further or other business is properly brought before the Meeting, it is the intention of the management designees to vote in accordance with their best judgment on such matters or business. At the time of printing this Management Proxy Circular, the management of the Corporation knows of no such amendment, variation or other matter to come before the Meeting other than the matters referred to in the accompanying Notice.

INTEREST OF CERTAIN PERSONS OR COMPANIES IN MATTERS TO BE ACTED ON

Except as disclosed in this Management Proxy Circular, none of the directors or senior officers of the Corporation at any time since the beginning of the Corporation's last financial year, nor any proposed nominee for election as a director of the Corporation, nor any associate or affiliate of any of the foregoing persons, has any material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in any matter to be acted on, other than the election of directors.

VOTING SECURITIES AND PRINCIPAL HOLDERS OF VOTING SECURITIES

Voting Shares, Record Date and Principal Shareholders

As at the date of this Management Proxy Circular, the authorized share capital of the Corporation consists of an unlimited number of Common Shares without par value. The record date for the determination of Shareholders entitled to receive notice of, and to vote at, the Meeting is September 28, 2020 (the "**Record Date**"). As at the Record Date, there were 113,497,667 Common Shares issued and outstanding as fully paid and non-assessable, each carrying the right to one vote.

To the knowledge of the directors and executive officers of the Corporation, no one beneficial owner or person exercised control or direction over Common Shares carrying more than 10% of the outstanding voting rights as of the Record Date.

Common Shares

The holders of Common Shares are entitled to notice of and to vote at all annual general and special meetings of shareholders (except meetings at which only holders of a specified class or series of shares are entitled to vote) and are entitled to one vote per Common Share. The holders of Common Shares are entitled to receive such dividends

as the board of directors of the Corporation (the "**Board of Directors**" or the "**Board**") declares and, upon liquidation, to receive such assets of the Corporation as are distributable to holders of Common Shares.

Voting of Common Shares – General

Only Shareholders whose names are entered in the Corporation's register of shareholders at the close of business on the Record Date will be entitled to receive notice of and to vote at the Meeting, provided that, to the extent that: (i) a registered Shareholder has transferred the ownership of any Common Shares subsequent to the Record Date; and (ii) the transferee of those Common Shares produces properly endorsed share certificates, or otherwise establishes that he or she owns the Common Shares and demands, not later than ten days before the Meeting, that his or her name be included on the Shareholder list before the Meeting, in which case the transferee shall be entitled to vote his or her Common Shares at the Meeting.

Voting of Common Shares – Advice to Non-Registered Holders

Only registered holders of Common Shares, or the persons they appoint as their proxies, are permitted to attend and vote at the Meeting. However, in many cases, Common Shares beneficially owned by a holder (a "**Non-Registered Holder**") are registered either:

- a) In the name of an intermediary (an "**Intermediary**") that the Non-Registered Holder deals with in respect of the Common Shares. Intermediaries include banks, trust companies, securities dealers or brokers, and trustees or administrators of self-administered RRSPs, RRIFs, RESPs and similar plans; or
- b) in the name of a clearing agency (such as The Canadian Depository for Securities Limited or "**CDS**").

In accordance with the requirements of National Instrument 54-101 of the Canadian Securities Administrators, the Corporation has distributed copies of the Notice, Management Proxy Circular and the instrument of proxy (collectively, the "**Meeting Materials**") to the clearing agencies and Intermediaries for onward distribution to Non-Registered Holders.

Intermediaries are required to forward meeting materials to Non-Registered Holders unless a Non-Registered Holder has waived the right to receive them. Typically, Intermediaries will use a service corporation (such as Broadridge Financial Solutions, Inc. ("**Broadridge**")) to forward meeting materials to Non-Registered Holders.

Generally, Non-Registered Holders who have not waived the right to receive meeting materials will:

- a) Have received as part of the Meeting Materials a voting instruction form which must be completed, signed and delivered by the Non-Registered Holder in accordance with the directions on the voting instruction form; voting instruction forms sent by Broadridge permit the completion of the voting instruction form by telephone or through Internet based voting procedures; or
- b) less typically, be given a proxy which has already been signed by the Intermediary (typically by a facsimile, stamped signature) which is restricted as to the number of Common Shares beneficially owned by the Non-Registered Holder but which is otherwise uncompleted. This form of proxy need not be signed by the Non-Registered Holder. In this case, the Non-Registered Holder who wishes to submit a proxy should otherwise properly complete the form of proxy and deposit it with Computershare Investor Services at the address referred to above.

The purpose of these procedures is to permit Non-Registered Holders to direct the voting of the Common Shares they beneficially own. Should a Non-Registered Holder wish to attend and vote at the Meeting in person (or have another person attend and vote on behalf of the Non-Registered Holder), the Non-Registered Holder should strike out the names of the persons named in the proxy and insert the Non-Registered Holder's (or such other person's) name in the blank space provided or, in the case of a voting instruction form, follow the corresponding instructions

on the form. **In either case, Non-Registered Holders should carefully follow the instructions of their Intermediaries and their service companies.**

Only registered Shareholders have the right to revoke a proxy. Non-Registered Holders who wish to change their vote must in sufficient time in advance of the Meeting, arrange for their respective Intermediaries to change their vote and if necessary revoke their proxy in accordance with the revocation procedures set above.

ELECTION OF DIRECTORS

Fixing the Number of Directors

At the Meeting, the Shareholders will be asked to fix the number of directors of the Corporation to be elected at 4 members. The objective of the disclosure is to communicate the compensation the Corporation paid, made payable, awarded, granted, gave or otherwise provided to each named executive officer and director for the financial year, and the decision-making process relating to compensation. The Corporation's approach to executive compensation is set forth below.

Oversight and Description of Director and Named Executive Officer Compensation

Director Compensation

The Corporation has no standard arrangement pursuant to which directors are compensated by the Corporation for their services in their capacity as directors, except for the granting from time to time of incentive stock options in accordance with the policies of the stock exchange on which the Corporation's Common Shares are listed for trading and the Option Plan.

Named Executive Officer Compensation

The Nominating, Compensation and Governance Committee reviews the compensation payable to the Named Executive Officers on an annual basis, or periodically if needed, and makes recommendations to the Board of Directors.

The objective of the Board of Directors in setting compensation levels is to attract and retain individuals of high caliber to serve the Corporation, to motivate their performance in order to achieve the Corporation's strategic

objectives and to align the interests of the Named Executive Officers with the long-term interests of the Shareholders. These objectives are designed to ensure that the Corporation's business continues to grow and develop.

The Board of Directors sets the compensation received by the Named Executive Officers so as to be generally competitive with the compensation received by persons with similar qualifications and responsibilities who are engaged by other companies of corresponding size and stage of development having similar assets, number of employees and market capitalization.

The Corporation compensates its Named Executive Officers based on their skill and experience levels and the existing stage of development of the Corporation. Named Executive Officers are rewarded on the basis of the skill and level of responsibility involved in their position, the individual's experience and qualifications, the Corporation's resources, industry practice, and regulatory guidelines regarding executive compensation levels.

The Board of Directors has implemented three levels of compensation to align the interests of the executive officers with those of the shareholders. First, Named Executive Officers are paid a monthly consulting fee or salary determined by the Board of Directors, if appropriate; second, the Board of Directors awards Named Executive Officers long term incentives in the form of stock options, if appropriate. Finally and only in special circumstances, the Board of Directors may award cash or share bonuses for exceptional performance that results in a significant increase in shareholder value.

The base compensation of the Named Executive Officers is reviewed and set annually by the Board of Directors. The Chief Executive Officer has substantial input in setting annual compensation levels. The Chief Executive Officer is directly responsible for the financial resources and operations of the Corporation. In addition, the Chief Executive Officer and Board of Directors from time to time determine the stock option grants to be made pursuant to the Option Plan. Previous grants of stock options are taken into account when considering new grants. The Board of Directors awards bonuses at its sole discretion. The Board of Directors has not set any performance criteria or objectives.

The Board of Directors considers the implications of the risks associated with the Corporation's compensation policies and practices when determining rewards for its Named Executive Officers and ensures that those policies do not encourage management to take inappropriate or excessive risks. The Board of Directors does not believe that there are any risks arising from the compensation programs that would be reasonably likely to have a material adverse effect on the Corporation.

Neither Named Executive Officers nor directors are permitted to take any derivative or speculative positions in the Corporation's securities. This is to prevent the purchase of financial instruments that are designed to hedge or offset any decrease in the market value of the Corporation's securities.

Compensation for the most recently completed financial year should not be considered as an indicator of expected compensation levels in future periods. All compensation is subject to and dependent on the Corporation's financial resources and prospects.

Pension Disclosure

The Corporation does not have any defined benefit or defined contribution pension plans in place which provide for payments or benefits at, following, or in connection with retirement of its directors or Named Executive Officers.

None of the directors and officers of the Corporation, any proposed management nominee for election as a director of the Corporation or any associate of any director, officer or proposed management nominee is or has been indebted to the Corporation at any time during the last completed financial year.

INTEREST OF INFORMED PERSONS IN MATERIAL TRANSACTIONS

Except as disclosed in this Management Proxy Circular to the knowledge of management of the Corporation, none of the informed persons of the Corporation (as defined in National Instrument 51-102), nor any proposed nominee for election as a director of the Corporation, nor any person who beneficially owns, directly or indirectly, shares carrying more than 10% of the voting rights attached to the issued shares of the Corporation, nor any associate or affiliate of the foregoing persons has any material interest, direct or indirect, in any transaction since the commencement of the Corporation's most recently completed financial year or in any proposed transaction which, in either case, has or will materially affect the Corporation and none of such persons has any material interest in any transaction proposed to be undertaken by the Corporation that will materially affect the Corporation.

CORPORATE GOVERNANCE

In accordance with the requirements of National Instrument 58-101 *Disclosure of Corporate Governance Practices* the Canadian Securities Administrators have issued guidelines on corporate governance disclosure for venture issuers as set out in Form 58-101F2. The disclosure addresses matters relating to constitution and independence of directors, the functions to be performed by the directors of a corporation, their committees and effectiveness and evaluation of proposed corporate governance guidelines and best practices. The Corporation's approach to corporate governance is set forth below.

Nominating, Compensation and Governance Committee

The purpose of the Nominating, Compensation and Governance Committee is to assist the Board of Directors in discharging its responsibilities with respect to identifying individuals qualified to become new board members; setting director and senior executive compensation; and assessing and making recommendations to the Board of Directors regarding certain compensation related and governance matters as delegated by the Board of Directors.

Board of Directors

In determining whether a director is independent, the Corporation primarily considers whether the director has a relationship which could or could be perceived to interfere with the director's exercise of independent judgement. For the purposes of this disclosure, a director is independent if he or she would be independent within the meaning of section 1.4 of National Instrument 52-110 *Audit Committees*.

The following table sets forth the nominees for appointment to the Board, their independence or non-independence and the basis for that determination:

Name	Independent	Basis for Determination of Independence ⁽¹⁾
AVERILL, Stuart	Yes	No material relationship
CLARK, James	Yes	No material relationship
DHAMI, R. Joe	No	Material relationship – President and Chief Executive Officer
SHIELDS, Gerald	Yes	No material relationship

Notes:

1. Individuals who are, or have been within the last three years, an employee or executive officer of the Corporation, are considered to have or have had, a material relationship with the Corporation, therefore these individuals do not satisfy the meaning of independence as set forth in section 1.4 of National Instrument 52-110 *Audit Committees*.

Directorships in Other Reporting Issuers

Certain current and proposed directors of the Corporation are also directors of other reporting issuers (or the equivalent) in a jurisdiction or a foreign jurisdiction as set forth in the following table:

Name	Name of Reporting Issuers
SHIELDS, Gerald	Miramont Resources Corp. eShippers Management Ltd.

Orientation and Continuing Education

The Corporation has not developed an official orientation or training program for new directors, but they are encouraged to communicate with other directors, officers and employees as needed. New directors will have the opportunity to become familiar with the Corporation with full access to records, meeting with legal counsel, the auditors and various technical consultants. Orientation activities are tailored to the needs and expertise of each director and the overall needs of the Board. The Corporation does not have a formal program of continuing education for its directors but encourages its directors to attend continuing education seminars at the Corporation's expense, subject to prior approval by management of the Corporation. The Corporation also liaises with its legal counsel, auditors and other advisors to keep apprised of any developments and material changes to corporate governance and reporting policies affecting the Corporation and makes the directors aware of any such developments and changes.

Ethical Business Conduct

The Board encourages, monitors and promotes a culture of ethical business conduct of the Corporation and ensures that the Board complies with applicable legal and regulatory requirements, such as those of relevant securities commissions and stock exchanges. The Board has found that the fiduciary duties placed on individual directors by the Corporation's governing corporate legislation and the common law, as well as the restrictions placed by applicable corporate legislation on the individual director's participation in decisions of the Board in which the director has an interest, have been sufficient to ensure that the Board operates independently of management and in the best interests of the Corporation.

The Corporation does not currently have a formal code of business conduct or policy in place for its directors, officers, employees and consultants. The Board believes that the Corporation's size facilitates informal review of and discussions with employees and consultants.

Nomination of Directors

When there is a need to fill a position on the Board, either due to a vacancy or as required to carry out the Board's duties effectively and maintain a breadth of experience, the Nominating, Compensation and Governance Committee assists the current directors with identifying individuals qualified to become new Board members and potential candidates for consideration.

Compensation

The Nomination, Compensation and Governance Committee reviews the compensation payable to the Named Executive Officers on an annual basis, or periodically if needed, and makes recommendations to the Board of Directors. The Board has the ability to adjust and approve such compensation.

The following table sets forth the members of the Compensation Committee as of the Record Date, their independence or non-independence and the basis for that determination:

Name	Independent ⁽¹⁾
CLARK, James	Yes
AVERILL, Stuart	Yes
SHIELDS, Gerald	Yes

Notes:

1. Individuals who are, or have been within the last three years, an employee or executive officer of the Corporation, are considered to have or have had, a material relationship with the Corporation, therefore

these individuals do not satisfy the meaning of independence as set forth in section 1.4 of National Instrument 52-110 *Audit Committees*.

Market comparisons, as well as evaluation of similar positions in different industries in the same geography, along with individuals experience and the diversity such individual brings to the Corporation's Board, are the criteria used in determining compensation.

Other Board Committees

The Board does not currently have any committees other than the Audit Committee and Nominating, Compensation and Governance Committee.

Assessments

The Board takes responsibility for monitoring and assessing its effectiveness and the performance of individual directors, its Audit Committee, including reviewing the Board's decision-making processes and the quality of information provided by management.

1.6 Maximum Plan Shares

2.2 The maximum aggregate number of Plan Shares that may be reserved for issuance under the Plan at any point in time is 10% of the Outstanding Shares at the time Plan Shares are reserved for issuance as a result of the grant of an Option, less any Common Shares reserved for issuance under share options granted under Share Compensation Arrangements other than this Plan, unless this Plan is amended pursuant to the requirements of the TSX Venture Policies (and, if applicable, NEX Policies).

1.7 Eligibility

2.3 Options to purchase Common Shares may be granted hereunder to Service Providers of the Company, or its affiliates, from time to time by the Board. Service Providers that are not individuals will be required to undertake in writing not to effect or permit any transfer of ownership or option of any of its securities, or to issue

more of its securities (so as to indirectly transfer the benefits of an Option), as long as such Option remains outstanding, unless the written permission of the TSX Venture and the Company is obtained.

1.8 Options Granted Under the Plan

2.4 All Options granted under the Plan will be evidenced by an Option Commitment in the form attached as Schedule A, showing the number of Optioned Shares, the term of the Option, a reference to vesting terms, if any, and the Exercise Price.

2.5 Subject to specific variations approved by the Board, all terms and conditions set out herein will be deemed to be incorporated into and form part of an Option Commitment made hereunder.

1.9 Limitations on Issue

2.6 Subject to §2.10, the following restrictions on issuances of Options are applicable under the Plan:

(b) the aggregate number of Options granted to all Service Providers conducting Investor Relations Activities in any 12-month period cannot exceed 2% of the Outstanding Shares, calculated at the time of grant, without the prior consent of the TSX Venture (or NEX, as the case may be); and

(d) delegate all or such portion of its powers hereunder as it may determine to one or more committees of the Board, either indefinitely or for such period of time as it may specify, and thereafter each such

committee may exercise the powers and discharge the duties of the Board in respect of the Plan so delegated to the same extent as the Board is hereby authorized so to do.

- (d) it may make amendments necessary as a result in changes in securities laws applicable to the Company;
- (e) if the Company becomes listed or quoted on a stock exchange or stock market senior to the TSX Venture, it may make such amendments as may be required by the policies of such senior stock exchange or stock market; and

1.17 Option Amendment

3.3 Subject to §2.10(b), the Exercise Price of an Option may be amended only if at least six (6) months have elapsed since the later of the date of commencement of the term of the Option, the date the Common Shares commenced trading on the TSX Venture, or the date of the last amendment of the Exercise Price.

3.4 An Option must be outstanding for at least one year before the Company may extend its term, subject to the limits contained in §3.2.

3.5 Any proposed amendment to the terms of an Option must be approved by the TSX Venture prior to the exercise of such Option.

1.18 Vesting of Options

3.6 Subject to §3.7, vesting of Options shall be at the discretion of the Board and, with respect to any particular Options granted under the Plan, in the absence of a vesting schedule being specified at the time of grant, all such Options shall vest immediately. Where applicable, vesting of Options will generally be subject to:

- (a) the Service Provider remaining employed by or continuing to provide services to the Company or any of its Affiliates as well as, at the discretion of the Board, achieving certain milestones which may be defined by the Board from time to time or receiving a satisfactory performance review by the Company or any of its Affiliates during the vesting period; or

- (b) such longer vesting period as the Board may determine.

1.20 Effect of Take Over Bid

3.8 If a Take Over Bid is made to the shareholders generally then the Company shall immediately upon receipt of notice of the Take Over Bid, notify each Optionee currently holding an Option of the Take Over Bid, with full particulars thereof whereupon such Option may, notwithstanding §3.6 and §3.7 or any vesting requirements set

out in the Option Commitment, be immediately exercised in whole or in part by the Optionee, subject to approval of the TSX Venture (or the NEX, as the case may be) for vesting requirements imposed by the TSX Venture Policies.

1.21 Extension of Options Expiring During Blackout Period

3.9 Should the Expiry Date for an Option fall within a Blackout Period, or within nine (9) Business Days following the expiration of a Blackout Period, such Expiry Date shall, subject to approval of the TSX Venture (or the NEX, as the case may be), be automatically extended without any further act or formality to that day which is the tenth (10th) Business Day after the end of the Blackout Period, such tenth Business Day to be considered the Expiry Date for such Option for all purposes under the Plan. Notwithstanding §2.8, the tenth Business Day period referred to in this §3.9 may not be extended by the Board.

1.22 Optionee Ceasing to be Director, Employee or Service Provider

3.10 Options may be exercised after the Service Provider has left his/her employ/office or has been advised by the Company that his/her services are no longer required or his/her service contract has expired, until the term applicable to such Options expires, except as follows:

(a) in the case of the death of an Optionee, any vested Option held by him at the date of death will become exercisable by the Optionee's lawful personal representatives, heirs or executors until the earlier of one year after the date of death of such Optionee and the date of expiration of the term otherwise applicable to such Option;

(b) an Option granted to any Service Provider will expire 90 days (or such other time, not to exceed one year, as shall be determined by the Board as at the date of grant or agreed to by the Board and the Optionee at any time prior to expiry of the Option) after the date the Optionee ceases to be employed by or provide services to the Company, and only to the extent that such Option was vested at the date the Optionee ceased to be so employed by or to provide services to the Company; and

(c) in the case of an Optionee being dismissed from employment or service for cause, such Optionee's Options, whether or not vested at the date of dismissal will immediately terminate without right to exercise same.

1.23 Non Assignable

3.11 Subject to §3.10, all Options will be exercisable only by the Optionee to whom they are granted and will not be assignable or transferable.

1.24 Adjustment of the Number of Optioned Shares

3.12 The number of Common Shares subject to an Option will be subject to adjustment in the events and in the manner following:

(a) in the event of a subdivision of Common Shares as constituted on the date hereof, at any time while an Option is in effect, into a greater number of Common Shares, the Company will thereafter deliver at the time of purchase of Optioned Shares hereunder, in addition to the number of Optioned Shares in respect of which the right to purchase is then being exercised, such additional number of Common Shares as result from the subdivision without an Optionee making any additional payment or giving any other consideration therefor;

(b) in the event of a consolidation of the Common Shares as constituted on the date hereof, at any time while an Option is in effect, into a lesser number of Common Shares, the Company will thereafter deliver and an Optionee will accept, at the time of purchase of Optioned Shares hereunder, in lieu of the number of

Optioned Shares in respect of which the right to purchase is then being exercised, the lesser number of Common Shares as result from the consolidation;

(c) in the event of any change of the Common Shares as constituted on the date hereof, at any time while an Option is in effect, the Company will thereafter deliver at the time of purchase of Optioned Shares hereunder the number of shares of the appropriate class resulting from the said change as an Optionee would have been entitled to receive in respect of the number of Common Shares so purchased had the right to purchase been exercised before such change;

(d) in the event of a capital reorganization, reclassification or change of outstanding equity shares (other than a change in the par value thereof) of the Company, a consolidation, merger or amalgamation of the Company with or into any other company or a sale of the property of the Company as or substantially as an entirety at any time while an Option is in effect, an Optionee will thereafter have the right to purchase and receive, in lieu of the Optioned Shares immediately theretofore purchasable and receivable upon the exercise of the Option, the kind and amount of shares and other securities and property receivable upon such capital reorganization, reclassification, change, consolidation, merger, amalgamation or sale which the holder of a number of Common Shares equal to the number of Optioned Shares immediately theretofore purchasable and receivable upon the exercise of the Option would have received as a result thereof. The subdivision or consolidation of Common Shares at any time outstanding (whether with or without par value) will not be deemed to be a capital reorganization or a reclassification of the capital of the Company for the purposes of this §3.12;

(e) an adjustment will take effect at the time of the event giving rise to the adjustment, and the adjustments provided for in this section are cumulative;

(f) the Company will not be required to issue fractional shares in satisfaction of its obligations hereunder. Any fractional interest in a Common Share that would, except for the provisions of this §3.12, be deliverable upon the exercise of an Option will be cancelled and not be deliverable by the Company; and

(g) if any questions arise at any time with respect to the Exercise Price or number of Optioned Shares deliverable upon exercise of an Option in any of the events set out in this §3.12, such questions will be conclusively determined by the Company's auditors, or, if they decline to so act, any other firm of Chartered Accountants, in Vancouver, British Columbia (or in the city of the Company's principal executive office) that the Company may designate and who will be granted access to all appropriate records and such determination will be binding upon the Company and all Optionees.

If the Exercise Price is set below the then current Market Price of the Common Shares on the TSX Venture at the time of grant, or if the option is granted:

(a) to directors, officers and promoters, or

(b) to persons holding securities carrying more than 10% of the voting rights attached to the Company's securities both immediately before and after the transaction in which securities are issued, and who have elected or appointed or have the right to elect or appoint one or more directors or senior officer of the Company; or

Participation in the Plan by an Optionee is voluntary.

1.30 No Representation or Warranty
